Individual and Group **Supervision**
with Lee Anna Simmons
at SA&T's studio: Woolwich, Greenwich
Central Clinic: Covent Garden, London, UK

Clinical supervision is available with Lee Anna Simmons, Art and EMDR Psychotherapist.

Lee has experience working with a range of clients: adults, children and adolescents. She has worked with organisations in the public sector, in schools and in private practice. She is experienced as a clinical supervisor (group and individual) for charities working with torture survivors and refugees and as an adviser in related fields since 2005.

Lee is a British Association of Art Therapists approved therapist and supervisor, organisations can arrange for supervision to be held at their sites and individual practitioners can receive one to one or groups sessions in person or online. Do get in touch with any questions.
